Presidents Letter

Louise Dahlke

Good News! We will again be able to have programs and club meetings. Of course, we will continue to practice social distancing and other guidelines. We do not have any special sessions set up for the month of September however, there is our WAHCE State Conference in Stevens Point from Monday, September 20th through Wednesday, September 22nd. If you haven't already signed up, you still can, there will be an additional fee of \$50.00 and all of the information is in the UPDATE, you should have received the UPDATE in May. The Kewaunee County HCE has planned a one day trip to the Peshtigo area on October 6th, 2021, there is more information in this newsletter, everyone has to sign up themselves. We have special 2 sessions set up for Friday, October 8th at the STEM Center, there is more information in this newsletter. Our NE District meeting is scheduled for Wednesday, October 20th in Door County at Bayview Lutheran Church, more information in this newsletter. Our BCHCE Association meeting is on Friday, October 29th at 9:30 a.m. at the STEM Innovation Center; we will have election of officers. I believe this year we elect the treasurer position. Our Autumn/Holiday Luncheon is to be planned by De Pere Ridge Center for Friday, November 5. We did not have an information table at the Brown County Fair this year, however, I did set up a display and had coloring papers and word searches for people to take. Wisconsin Bookworms will be reading this year; it is to be determined by the schools if we can read in person or not. We will read 7 books at Ashwaubenon, Howard/Suamico and Oneida. Our first book will be read in October. De Pere has decided to read last years books this year. I will contact the schools for more information. I hope everyone has a great September and I hope to see you in October. Louise

November 25 & 26

CLOSED - Extension Brown County Office

Thanksgiving Holiday

Citizenship

Shirley Nooyen

Labor Day will be soon here which means summer is over. Enjoy labor day this year on Monday September 6th. Labor Day traditionally is observed on the first Monday in September for the achievements and contribution of American workers. Labor Day was created in the late 19th century 127 years ago and became a federal holiday in 1894. The first celebration was in New York City following the death of 13 workers during the Pullman strike in June 1894. President Grover Cleveland made reconciliation with the labor movement a top political priority.

I would love to hear about your labor day celebrations with your family and friends.

Cultural Arts

Joyce Grulke, Cultural & Textile Arts Coordinator

Entries for cultural arts need to be to Joyce Grulke by **September 15th**. Please call me to make arrangements, phone 920-863-6603.

Good luck to everyone at the WAHCE State Conference!

WAHCE State Conference - 2021

The Wisconsin Association for Home and Community Education State Conference will be at the Holiday Inn in Stevens Point, WI **September 20, 21, 22**. If you plan on going to the

Wisconsin Association for Home and Community Education State Conference - Safe travels!

Wisconsin Bookworms

Louise Dahlke

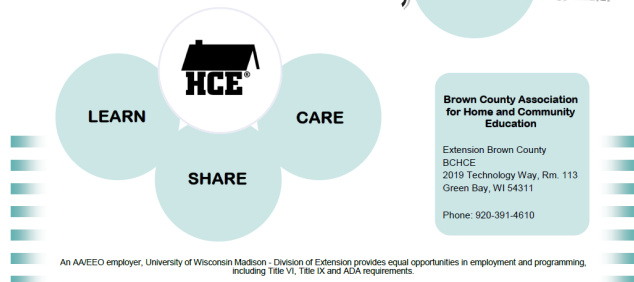

The Wisconsin Bookworms books arrived in August. The labels will be picked up at the WAHCE State Conference in September. We will begin reading in October.

Special Interest Forms

The special interest forms have been sent out to the club presidents and individual at the end of August. Please return your special interest forms by October 1st so the next step of choosing your 5 topics may be considered for programming in 2022.

September/October 2021

Alcohol Ink – Tile Project - October 8th

Joan Laehn, Individual BCHCE Member

4"x 4" Tile

A program on alcohol ink will be held on **Friday, October 8th** at the Brown County STEM Innovation Center in room 137. The alcohol ink session will begin at **9:00 AM**. In this session Joan will give you instruction on the use of materials while working with alcohol ink, safety measures, and some direction. You will receive items such as a mini palette, brush and other items to make your alcohol ink experience FUN! You'll be doing hands on pieces and have beautiful art to take home.

Small stone

- Please wear old clothes
- There is a **limit of 15 people** in this program.
- You **MUST** register by Tuesday, September 28th.
- No fee for BCHCE members.
- A payment of \$5.00 for a non-member will be collected before the start of the program to cover material cost, but for an additional \$10.00, a non-member can become a BCHCE member for the 2022 year.. *Super, Sweet Deal!*

After the Alcohol Ink session there will be a FREE cold plate lunch at 11:00 AM with a presentation on Buttons! Please register!!

Buttons & Lunch - October 8th

Have you lost a button? Would you like to get the snap on buttons? How about a light cold plate lunch to accompany this session about Buttons? Come join the presentation delivered by Melody Urban on Buttons, giving her expertise and collector knowledge. Melody is an avid button collector. She belongs to a button club, and has entered in many categories at the State and National Button Shows. You will enjoy her presentation!

Buttons & Lunch (cold plate) will begin at **11:00 AM**, on **Friday, October 8th** at the Brown County STEM Innovation Center room 137.

Buttons & Lunch is **FREE!!** What a treat! You **MUST** make a reservation, by Tuesday, September 28th, please call the Extension office.

Green Bay West Center Report

Center Advisor: Leona Bergmann

Lucky Pennies: The club helped with lunch and made a monetary donation for The Flag Day Car Show held on June 14, 2021 at Major General Jacob Brown Veterans Manor. They served brats, buns, onions and sauerkraut for 100 People, along with other lunch items. All leftover food was given to the Manor.

Mother Earth:
No Report received.

Twilight Twelve: The club donated several blankets for the Project Linus blanket drive. An outing to the new tower at Peninsula State Park is being planned.

BCHCE Membership Dues-2022

Remember to return your BCHCE membership due forms and money by November 1st.

BCHCE Fall Association Meeting

Please mark your calendars for Friday, **October 29th** for the BCHCE Fall Association Meeting. The meeting will be at the Brown County STEM Innovation Center, room 137. The association meeting will begin at 9:30 am. Social distancing will be implemented, wearing a mask is recommended, but not required. There is plenty of parking. Hope to see you at the meeting.

Holiday Luncheon

Marge Hutjens, De Pere Ridge Center Advisor

De Pere Ridge Center is planning a holiday luncheon on Friday, **November 5th, 11:30 AM** at the Brown County STEM Innovation Center on the UWGB campus, 2019 Technology Way room 136. We will have a catered lunch and entertainment. We do not have the cost yet, but will notify club presidents and individual members. The BCHCE Spring Banquet agenda will also be a part of our Holiday Luncheon. I'm hoping everyone is collecting items for our "Operation Christmas Child" (our community service project). I'm hoping everyone is looking forward to their September meeting and being with their friends again. I know I am!
P.S. "Operation Christmas Child" list is in the July/August newsletter.

Hors d'oeuvres - Canceled

The Hors d'oeuvres program that was set for October has been canceled.

September / October 2021

Daylight Savings - Fall Back

Come **November 7th** you'll need to turn your clocks back one hour as daylight savings time begins. You may also want to check your smoke detectors or change out the batteries.

Shoes for the Shoeless

Marlene Bergum, Sweet Peas HCE club, would like to clarify that she cannot take the credit for finding Shoes for the Shoeless program. Marlene was told about Shoes for the Shoeless by Marilyn Quirk, Ledgeviewers HCE club, brought up Shoes for the Shoeless to Marlene Bergum. Thank you Marilyn, we sure do appreciate getting information on programs in need of items.

Title Town Days for Girls

Marion Van Dreel (Ledgeviewers club)

Northeast District International Coordinator

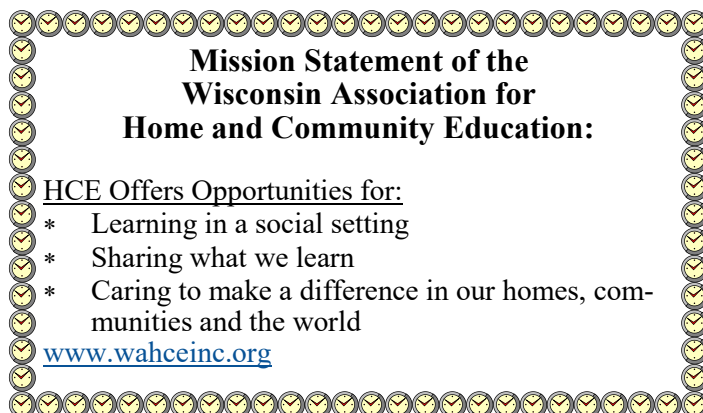

Title Town Days for Girls is a program in Brown County that connects to a worldwide international outlet for girls in the third world countries that are in need of girls "that time of the month" products. The photo (right) shows items that are made, produced like on an assembly line at the Church for Latter Day Saints on the East side of Green Bay. We are reaching out not to just Brown County HCE members, but to all of the Northeast District counties to perhaps participate in this predicament found world wide. For some insight, visit their Facebook page, <https://pl-pl.facebook.com/groups/294686267408159/>

Give the Gift of Membership - 2022

Have that friend who has **everything!** Don't know what to get or give to that friend who has that book, the candle, the mug yada, yada? Well, what about giving the **gift of membership to BCHCE!** The gift of membership could be a gift for Christmas, a birthday, graduation or just because. What a great way to share the experience of the Brown County Association for Home and Community Education organization!

South Dakota-Our Family Trip Submitted by Shirley Nooyen

We left on Sunday, **July 4** and drove 4- and 3/4-hours Sparta to see the F.A.S.T. fiberglass non-degradable fiberglass forms such as two of the biggest zoo foot long sea monster at House of the Rock, 135-foot-long Muskie in Haywood. The mold yard has many more fiberglass outdoor forms for sculptures as the Big Boy and other animals.

Then we went to the Wegner Family grotto which has colored glass encrusted pieces in the Wegner's 50th wedding cake, an American flag and the word "Home" has incusted black glass.

July 5th drove 2 hours and 50 minutes to Sioux Falls South Dakota. The Falls is north of downtown and is probably the best know Falls Park. The Big Sioux River tumbles over a series of rock faces with beautiful view from the observation tower and the view of the ruins of the 19th Century Queen Bee Mill. Later a stop to tour the famous Corn Palace.

July 6th drove 5 hours to Hill City to spend 3 nights at the Best Western a nice location to many interesting areas such as the Jewels caves, Black Hills mining museum, Deadwood, Crazy Horse and Mount Rushmore.

Deadwood: Wild Bill Hickock, Calamity Jane & Poker Alice came to Deadwood looking for gold and for a good time. There is a re-enactment of the shootout of Wild Bill and Jack McCall on the Main Street Saloon 3 times a day 6 days a week. On August 2, 1876 Wild Bill was shot in the back by McCall while playing cards. We toured Mount Moriah Cemetery which has the graves of Wild Bill Hickock, and Calamity Jane. There is an exhibit at the Adam's Museum include a huge gold nugget and a Plesiosaur fossil.

July 7th went to Rapid City East of the Black Hills National Forest known as the city of the President's. Four life size bronze President status by Artist Guyton Borglum carved in granite 60 feet high of faces of Presidents George Washington, Thomas Jefferson, Theodore Roosevelt, and Abraham Lincoln. This project started October 4, 1927 and was completed Oct 31, 1941. On the walk up to view the carvings of the Presidents are 52 flags representing the U.S. There is also a museum on the grounds.

Then off to see Crazy Horse not far from Mount Rushmore. In 1948 Artist Korczak Ziolkowski carved Crazy Horse depicting the Oglala Lakota Warriors. Crazy Horse is riding a horse & pointing to his tribal land. Not certain when Crazy Horse will be completed. This evening we attended the Chuck Wagon Dinner and entertainment.

Drove through the Badlands surrounded with beautiful pink, yellow and white stripped mountains with herds of buffalo, fields of prairie dogs, mountain goats and donkeys.

July 8th drove to SPAM Museum; Hormel Historic Home of Buffy the Cow and the Austin art works Center.

The Spam museum is very educational. Hawaii population is 1.4 million and consumes 7 million Spam products annually. Restaurants with spam on their menu: Hawaii, Guam & the Northern Marianas, Puerto Rico, United Kingdom, Phillipine's, Asia China, Japan, South and Korea. Some serve it in stews, fried eggs and in rice balls.

After seeing hundreds of advertising signs for Wall Drug it was a must stop to see what Wall Drug was about. It has many stores with clothing and things to purchase.

July 9th drove to La Crosse to the art museum called the Pump House, and Blue Baby. We plan on going back to La Crosse to see the Hixon house, Dahl Auto Museum and the Shrine of Our Lady of Guadalupe

After have a wonderful and fascinating trip drove 5 1/2 hours back home.

Hope you can visit South Dakota soon.

I would like to hear about your exciting excursions this summer.

International Report Shirley Nooyen

I hope everyone has a wonderful and exciting summer.

I would like to hear about your summer activities, and your travel events.

A couple of the things we enjoyed with our family this summer are:

The La Clare Family Creamery at W2994 Cty HH, in Malone 53049 near Pipe Wi. along the east shore of Lake Winnebago known as the Goat Capitol of the U.S. phone number (920) 670-0051. The climbing goats enjoy the 26-foot-tall wooden silo which is a 110 year old silo. There is a gift shop and a garden center which features historical, antique industrial display's a greenhouse filled with hanging baskets, planters bedding and vegetable plants, there is also "Chevre Shack" where you can purchase award winning cheeses including soft spreadable goat cheese to take home or sit at a small table to enjoy.

And we also visited the Shilcox Sabamba Alpaca at 2338 Hickory Rd, De Pere phone (920)371-0003. Shilcox Sabamba Alpaca has a variety of curious Alpacas, especially Barney. Please read all signs on the barn before being friendly with the Alpacas. The Alpacas are so enjoyable we visited with them twice already and plan on visiting them again during the winter.

Travel to Northern Wisconsin:

LAONA has the World's Largest Soup Kettle of 1919.

RHINELANDER - In 1896 a timberman Eugene Shepard created the legendary Holiday "a terrible brute" with the body of a dragon, horns, and a ferocious mouth of sharp teeth. Rhinelander's biggest Holiday stands outside the chamber of commerce, 450 W. Kemp St. which also has a list of other statue locations.

Go to rhinelanderchamber.com.

WOODRUFF there is a 10 foot in diameter, 16 inches thick and weighs more than 17,400 pound penny which was erected in 1953 after local students collected 1.7 million pennies to help build the area's first hospital, a dream of local doctor Kate Pelham Newcomb.

MERCER just 30 miles northwest of Woodruff is a 16 foot tall 2,000 pound fiberglass Claire'd's loon in front of Mercer Chamber of Commerce at 5150 N. Highway 51. Press a button at the base of the loon to hear each of the four distinctive calls of the Northwoods bird.

PHILLIPS Wisconsin Concrete Park at N8236 Highway 13. are 230 sculpture's of people, animals and more made from broken bottles and other tidbits by self taught artistic and retired lumber-jack Fred Smith between 1948-194. Free donations are welcome to help maintain and preserve the sculptures.

DOUGLAS CO LAKE NEBAGAMON are more than 30 year old creation of James Frank Kotera (aka JFK) is the World's Largest ball of twine. The twine weighs 23,675 pounds. In 2020 Roadside America started making the Giant Twine Ball in his backyard at 8009 S Oakdale Rd IN 1979.

NEILSVILLE is the World's largest talking cow Chatty Belle. Chatty Belle is a fiberglass Holstein that stands 16 feet tall & 20 feet long and was created for WI exhibit at the 1964 World's Fair in N.Y. . She stands at 1201 Division St. near the WI Pavilion from the fair. But a quarter into a box at the base and will get her talking.

International Shirley Nooyen

We'd love to hear about your exciting adventures. If you'd like to share your travel story, send to Shirley. Safe travels!.
